SIR,

In forwarding herewith declaration statements in duplicate in English and Kannada in respect of the acquisition of a portion of S.No.22 in the village of Bettahally in Yedatore Taluk required for the formation of a path to the drinking water pond, I have the honour to state that the preliminary notifications for the acquisition of the lands in question were published in the *Mysore Gazette* dated 14th August 1930 and objections, if any, against the acquisition of the said lands were also called for as required under Sections 4 and 5 (*a*) of the amended Land Acquisition Regulation. 20th day the September 1930 was fixed for hearing of objections. The above facts were widely published in the village by beat of tom-tom and spare copies of the printed notifications were distributed among the concerned landholders.

The Sub Division Officer, Mysore who was authorised to hold preliminary enquiry in this case and the Amildar of Yedatore Taluk have reported that the pathway is necessary and that the objection of the parties is not tenable.
